

Artisan/Trade Contractors Product

Claim Examples

- ▶ **Bodily Injury:** A painting contractor was working on a hot day painting the third floor bedroom of an apartment in a very densely populated urban area. He set the paint can on the sill of the open window. He accidentally hit the can which fell from the window and hit a pedestrian. The pedestrian incurred \$5,000 of medical bills and also missed work for five days incurring \$750 for lost wages.
- ▶ **Property Damage:** A carpentry contractor was installing a window on the second floor of an office building. The window slipped out of the opening and fell on a car below. It caused \$2,400 of damage to the car.
